Subject: Sound Masking System

Dear Paul,

I would like to take this opportunity to thank you and your team for the terrific job you did in our Denville office. As a medical office specializing in Ears, Nose & Throat it is vital to have a supportive and HIPPA compliant environment.

As you are aware, the acoustics in our office were awful and offered little privacy. Your expertise in diagnosing the problem, followed by your extremely efficient team of experts, totally transformed our environment.

Thank you for a cost-effective answer to our problem. I will gladly recommend Sound Management Group to anyone.

Sincerely,

Patty DeSande
Office Manager
